Wonderful
Women

We are pleased to welcome as our Theme Presenter, The Very Reverend The Honourable Lois M. Wilson who served as the first female Moderator of the United Church of Canada. Along with our musician Lindsay Lundquist and others, we will build on last year's theme and celebrate other notable women who were "firsts" in their professions in Canada.

Come and join us for a lively event including drama, music and fellowship!

Registration Forms available from your UCW Rep or Church Office
