

June 2025

Friends, it is always my hope that your community of faith is named in the following prayer cycle; sometimes communities get overlooked and that feels really awful; it is not my intention. I also know that you might feel as though your particular group / category is missing. Again, my intention is that we all are praying for communities of faith in the Region including church plants and some specialized ministries.

If you are retired, or a licensed lay worship leader, or serve the church in some other way, I hope that you feel included in the prayers when we pray for the community in which you find yourself grounded. I've tried to include many ways for folks to be recognized and prayed for - please know that I value each of you and your ministries.

If you have any comments or concerns about the prayer cycle, please contact me at gkbrownmiller@gmail.com
