

Beloved Community, my hope is that every community of faith is reflected in the prayer cycle that follows. Occasionally, a congregation or ministry is missed—and I know that can feel discouraging; it is never my intention. You may also notice that a particular group or category isn’t named in the way you would expect. Please hear this as our shared invitation to hold the whole Region in prayer, including church plants and specialized ministries.

If you are retired, a licensed lay worship leader, or you serve the church in other ways, I hope you will still hear yourself included when we pray for the communities where you are rooted. I have tried to name many different roles and contexts so that people and ministries are recognized in prayer. Please know how much I value you and the gifts you bring.

If you have any comments or concerns about the prayer cycle, please contact me at gkbrownmiller@gmail.com
