This Study Series is designed to help us think about Jesus' demand that we challenge -- or *queer* -- the kind of thinking that pits us against once another. 'Queer' is a word that has so much to teach. The LGBTQ2Ai+ community steadily looks to the margins of to see who isn't yet included, and decides what's to be done about it. This way of noticing and taking action bears remarkable similarity to the path that Christians are called to walk; the queer experience is a lens that can help Christians better understand and navigate an authentic Christian path.

The book "Queer Virtue: What LGBTQ People Know About Life and Love and How It Can Revitalize Christianity" is by The Reverend Elizabeth M. Edman, a queer Episcopalian priest in the US. Liz wrote the study guide, and is joining this Study Series for LIVE engagements! Book ordering, Study Guide FREE download and Zoom links details are in the registration link.
